BRANDY FLUKER OAKLEY

DEMOCRAT FOR STATE REPRESENTATIVE

The 12th Suffolk district needs a leader who is able to communicate effectively with residents, hear their concerns, facilitate solutions at the state-level, and work with colleagues across the Commonwealth in order to make the changes we want to see in our neighborhood. **I am that leader.**

I grew up in Dorchester and Mattapan and dedicated my career to advocacy, education equity, and progressive causes. We know our community is more than capable of identifying solutions to address our most pressing needs and challenges. It is with this spirit of partnership, collaboration, and tenacity that I will bring results to the 12th as your State Representative. I hope I can earn your vote this Election Day.

Onward,

PAID FOR AND AUTHORIZED BY THE COMMITTEE TO ELECT BRANDY FLUKER OAKLEY

 **ote November 3rd**
